TEXT OF THE ALLIED REPLY

Many Incidents Are Alleged Showing Germany Really is Not Desirous of Peace.

PARIS. Dec. 30.—In reply to the proffer of Germany and her allies for a peace conference, the Entente Allies, in a collective note, declare that they refuse to consider a process. they refuse to consider a proposal which is empty and insincere. The note was handed to the American ambassador, William Graves Sharp, today by Premier Briand, and was made public simultaneously in London and Parls. The Entente Allied governments insist that no peace is don and Paris. The Entente Allied governments insist that no peace is possible so long as they have not secured reparation for violated rights and liberties and the free existence of small states and have not brought about a settlement for the future security of the world. The note declares that the proposal of the Central powers is not an offer of peace, but a "war maneuver." It is declared to be founded "on calculated misinterpretation of the character of Schoonover, president of the bank.

Aims Not Outlined.

Aims Not Outlined.

The note does not specifically outline the definite war aims of the Entente governments except Belgium. Before the war, it is pointed out, Belgium asked for nothing but to live in harmony with her neighbors. Assailed in spite of the treatles guaranteeing her inviolability. Belgium, the note says, "has taken up arms to defend her independence and her neutrality violated by Germany."

JASSY, Roumania, via London, Dec. 30, 5:30 p. m.—The Roumanian cabinet has been reconstructed under the premiership of J. J. Braitiano, who also were to hold his hands only waist high so passersby would not notice the holdup. The president was alone in the bank at the time.

Belgium's aim, which is declared to be the only aim of its kind and government, is indicated as "the re-establishing of peace and justice." They only desire peace which would "assure to their country legitimate reparation, guarantees and safeguards.

sure to their country legitimate reparation, guarantees and safeguards for the future."

The note, which is the joint act of Belgium, France, Great Britain, Italy, Japan, Montenegro, Portugal, Roumania, Russia and Serbia, declares that the present strife was desired, provoked and declared by Germany and Austria-Hungary and that Germany made no effort to bring about a pacific solution of the trouble between Serbia and Austria-Hungaria as did Great Britain, France and Rusas did Great Britain, France and Rus-

* ANOTHER EXPEDITION.

LAREDO, Tex., Dec. 30.— Six machine guns, mounted on motor cars, were sent hurriedly down the Rio Grande from Laredo about 10 o'clock tonight quickly followed by a motorcycle squad. Military officers declined to give out any information. It is believed, however, that a new attempt is being made by a filibustering expedition to enter Mexico.

IN WAR PAINT AND FEATHERS INDIANS LEAVE FOR THE FRONT

Regiment of Canadian Indians on their way to the west ern battle front.

This picture was taken in Glasgow, Scotland, two weeks ago, and it is not unlikely that by this time the Germans have heard the wild whoops of these Canadian Indians as they rushed to the attack. The regiment was one which was recruited about a year ago from the Six Nations reserve, southern Ontario, and from districts near Montreal. The regiment was in training in a camp on the outskirts of Glasgow.

phoenix, ariz., Dec. 30.—The gubernatorial contest in Arizona became more complicated today when both Governor George W. P. Hunt, Democrat, and Tom Campbell, Republican, claimant of the office through the recent election, took the oath of office. A recount of the ballots which gave Campbell slight lead, is incomplete.

Governor Hunt today for the first time definitely anonunced that he would oppose the accession of Mr. Campbell. The governor tested the locks of all doors leading to his office this afternoon. Friends of Mr. Campbell are proceeding with preparations for the inauguration on Monday and declare that they will secure a warrant for the arrest of the governor under a paragraph of the policy of the state department today and sunderstood to have made a further plea for withdrawal of the troops.
